

Facility

Promea Therapeutics boasts a 7.65 acre ISO 13485:9001 certified campus that houses over 3,00,000 sft of production area, R&D, QC, and utilities – equipped with state-of-the-art machinery ensures the superior quality and consistency of our products.

Our facility currently has a capacity to manufacture:

| | |
|--------------|--------------------------|
| 500ml | 30 million bottles/year |
| 100ml | 15 million bottles/year |
| 1000ml | 8 million bottles/year |
| 3L | 1.5 million bottles/year |
| Bag 1L/500ml | 8 million bags/year |

Location

Strategically Located to Serve our customers needs !!

Being one of the only players in the industry of such scale in the South-Central region, our manufacturing plant holds a distinct strategic advantage with the distribution of our products to logically challenging markets. We also feature a sufficiently large warehouse so as to support our distributors locally.
